Patient Registration and Agreement

Authorization for Medical, Health and/or Nutrition Services

Pursuant to this Client Registration Agreement, I/we authorize Remedy Health to administer such medical, health care and/or nutrition services, treatments and procedures for me or my family members as deemed appropriate and necessary under the applicable circumstances. I/we understand that an integrative program that may include conventional health care, nutritional therapies, functional medicine and other elements of integrative medicine will be prescribed.

I/we understand that if any explanations as to benefits and/or risks and dangers of the prescribed treatments or services are unclear, it is my responsibility to ask for clarification before giving my consent. I/we understand that there are no warranties, representations or assurances of successful outcomes for me or my family members. Nevertheless, I desire to pursue integrative medical treatment or nutrition services for myself or my family members after reviewing the information herein and receiving answers to any questions related to this Agreement. As a patient or family member seeking medical, health care and/or nutrition services, I/we understand that I/we are ultimately responsible for selecting and approving recommended treatments and services (or rejecting recommended treatments/services).

I/we will report to Remedy Health any matters arising out of treatments or services and schedule a consultation to conduct appropriate follow-up. I/we will promptly seek medical attention from Remedy Health or another medical facility if any of us experience any unanticipated effects associated with treatments and services or if the treated condition worsens. If a medical emergency arises, I/we will call 911 or visit the nearest hospital emergency room.
